SINGLE COPY 15c

Produce Promised Safe Passage

Belle Glade produce haulers who want to move their trucks during the threatened truck strike set for May 13 have been guaranteed protection from Belle Glade to the terminal markets up north by Col. J.E. Beach, Director of the Florida Highway Patrol.

Beach said this promise for the first time in the state Tuesday night at a special meeting of the Florida Fruit and Vegetable Growers Association at the Belle Glade Elks Club. The meeting had been called for the specific purpose of discussing ways of combating the pending truckers strike. During the last strike earlier in the growing season thousands of dollars worth of produce were left rotting in Belle Glade fields with no way to northern markets.

Beach said his Highway Patrol would take "firm, positive and immediate action against all violators of the law." "We will assist the truckers that want to move," said Beach. "And we will provide them with an escort if necessary and requested."

Beach was asked from the floor if

there was any guarantee of protection beyond the Florida border.

"Yes," said Beach. "We have this pretty well worked out all the way to the terminal market."

According to Beach, any trucks that are abandoned or parked on the highway will be towed in by a wrecker, impounded and the driver still be arrested. He will also be responsible for any wrecker fees involved.

"Additional troopers will be on duty in the necessary area," said Beach.

"Our six light aircraft will be on continuous surveillance."

Beach also said periodic checks of truck stops by uniformed members of the Florida Highway Patrol would be made to see that law and order were maintained. He promised no trucks would be kept from moving against their will.

"Members of the Florida Highway Patrol Headquarters Staff will be strategically positioned throughout the state," said Beach. "Inspector A.E. Redick will be the statewide

coordinator and may be contacted in Tallahassee in the daytime and weekdays."

"To expedite the investigation of complaints and requested assistance call the nearest Florida Highway Patrol Station."

"The Florida Highway Patrol will not take sides in this dispute with either management or any truckers, but will make every effort to maintain law and order and enforce the law fairly and impartially to all violators."

Bill Bemis, chairman of the Public Service Commission and the informal moderator for the meeting, thanked Beach for the way the Highway Patrol handled the last truckers' strike. He said this one would surely be handled just as efficiently and fairly.

Jimmy Wilson of Piquette Growers asked Beach if he could do anything about truck stop owners who refused to sell gas to the produce haulers. Wilson contended it wasn't the produce haulers who wanted to strike, but many of them couldn't get gas for truck stop owners who were afraid of

reprisals by other truckers who favored the strike.

"We will protect them at truck stops," said Beach. "But we can't make the truck stops sell gas."

Bemis said this was an important point, however. He said he would contact the governor and see if these truck stops couldn't be warned ahead of the truck strike.

Charley Kelly, general manager of transportation for Seaboard Rail Road took a roasting from the growers.

Kelly was asked to explain what the growers had to guarantee the railroads for them to restore reasonable service to Florida. It had been pointed out earlier that the railroad had slipped from a high of 64 per cent of the business back in 1960 to only 10 per cent of the business today.

"I'm in business to make money," said Kelly. "As a regulated industry we have been totally unable to compete with the lower prices of the unregulated trucking industry."

"We need 160 per cent of the present

rate to be interested in produce hauling. We would like to ask you to guarantee us a certain percentage of your business, but we know you can't do that."

"Let's face facts," he said. "If the fuel crisis or the truck strike wipes out the trucking industry we won't be able to solve the problem immediately. You can't take a fleet of rolling stock that's geared to handle 10 per cent of the business and make it handle 40, 50 or even 60 per cent."

"If we ordered cars right now it would take two years to get them. The haulers are all backed up. We just have to use what we have in the best way possible."

John Thompson of Thompson Sales said he disagreed with Kelly's reasons for the railroads losing business.

"The railroads wouldn't keep schedules long before they started losing business to the unscheduled carriers," said Thompson. "I've seen many the time we've been promised third and fourth day delivery and gotten ninth day."

Data On Sewer Eight Days Late

Belle Glade City Manager William Mallory said Wednesday the city is consulting engineers, Briley-Wild and Associates, delivered documents required by the county Tuesday night to install the sewer.

Streets Going Unpaved

The apparently parental topic of sewage and streets provided the action again Tuesday night at the South Bay City Commission meeting as a number of city residents sounded off.

The big topic of the night was how and when the city commission expects to pave three streets which residents have already been assessed \$250 per home to have paved once the sewer was in.

A total of \$8,931 was collected by the city from new residents in Junior Avenue north of west Sixth Street and along an sewer account to pay for paving the roads.

As bid by Gold Coast Paving Co. of Belle Glade in December 1973 to pave the two streets had a price tag of \$17,147 and the commissioners decided to hold off on any action at that time, although they accepted a bid to pave, repair and widen Northwest 12th Street.

Residents of the development, said Tuesday night they already waited for two years for the streets to be paved and Canal owners said they hoped to have the paving done before another two years are gone.

Mayor Vernita Cox said the city is now attempting to get work and use a recently purchased road grader to surface and repair the streets, but no one seemed to have any idea how long it will be before the streets are blacktopped.

Some of the residents at the meeting suggested the reason the streets haven't been paved is because of racial discrimination given them such low priority.

Commissioner Esther Berry said the entire commission is attempting to solve the problem of how to get enough money to pave the streets. She said the problem has been building up for years and the fact there are now two black commissioners, herself and Mrs. Cox, on the city board doesn't mean the problems can be solved in two years or less.

The commission also received several complaints about sewage rates and service.

Most of the complaints came from those who said they thought they were being unfairly assessed when billed 115 per cent of their water bills or more.

Cont. to page 2

Associates, delivered documents required by the county Tuesday night to install the sewer.

Alfred Mueller Jr. of the Palm Beach County Health Department's Division of Environmental Sciences and Engineering said, "Some of the documents" were what "we wanted," but said he wasn't sure if it was complete.

"It's been logged in and will be analyzed either Friday or Monday," Mueller said. "We haven't had a chance to really go over the material we've just received."

Mueller's office had received some of the material Division Director Frank J. Gargiolo said on April 25 would be needed to determine whether the city would receive operating and construction permits for the modified city sewage treatment plant.

Briley-Wild engineer A.J. Birchall was directed by Mallory to have the documentation in Gargiolo's office by April 26.

Mallory called a special city commission meeting Monday when he found Gargiolo's office still hadn't received the complete documentation. He said he called the meeting to let the commissioners know the situation.

Mayor Aubrey Farmer commented this wasn't the first time Briley-Wild had failed to live up to schedules and several commissioners talked about the possibility of looking for a new consulting engineering firm.

Mallory was finally directed to hand-deliver a copy of the documentation, delivered by a parcel service to the city, to Gargiolo Tuesday morning if necessary since the approval of the sewerage plant is considered critical.

Until the approvals are received, the city is still bound by a moratorium on placing new units on the city's sewage system, an effective building moratorium.

Mallory said Department of Pollution Control officials have been "openly critical of the city's consulting engineers for having failed to submit information as required to support the Department of Pollution Control's review of work completed at the plant."

According to the schedule set in the May 25 meeting, Wayne G. Strahm, regional administrator of the Southeast state Office of Pollution Control said he would let the city know if it had the approval for the two permits by May 15, the date of the city commission's next meeting.

That schedule is obviously out the window at this time, since Mueller said the county agency wouldn't advise the documentation until Friday or Monday.

New Elk Leaders

It was a happy group of Elks that got together this past Saturday night to install their new officers for the year. Pictured above from left to right starting with the back row is Junior Vaughn, Don Williams, George Gartner, Ben Clarke, and Fred John. In front row is John Causey, Fred White, Katherine

Huffstichler, Audrey Pierce, Louise Mathis, Marie Causey, Virginia Williams and Leonard Cole. Case was named Exalted Ruler while Vaughn was named Tiler, Williams Inner Guard, Gartner Esquire, Clarke Loyal Knight, John Leading Knight, Causey and White Secretary.

Glades General Accredited

Glades General Hospital received this week some news worth celebrating with National Hospital Week next week.

It's fourth consecutive full two-year accreditation. Hospital Administrator Ben Clarke said the hospital earned the maximum possible accreditation from the Joint Commission of Accredited Hospitals on the eve of National Hospital Week.

"Accreditation," Clarke said, means a hospital is always working to provide the best possible patient care in a safe and environmentally secure surroundings.

He stressed the fact the accreditation is strictly voluntary, that the hospital isn't compelled by any law to be surveyed or "to hand out our wad for all to see."

He said the accreditation means the physical plant is surveyed for its safety and patient protection and certain construction requirements.

"It means," Clarke said, "that certain principles of organization and management are being applied for the effective and efficient rendering of care and service."

"In spite of what a handful of would-be detractors say," he said, "we do have an excellent small hospital with an excellent staff, the finest facility and personnel I have ever had the pleasure to be associated with."

Mother Of The Year

Mrs. Wilma Scruggs of 765 South Main St. won the Annual Mother of the Year contest sponsored by the Herald this week. Mrs. Scruggs won the contest on the strength of a letter from her daughter, Tammy, shown at her side. Nine-year old Tammy was judged to have written the best letter of an estimated 200 entries mailed by children from a number of schools in the area. Tammy proved herself a cool character when informed she had submitted the winning letter, remarked "Oh, okay." Many of the letters entered in the contest can be found in the special Mother's Day section of today's Herald.

Sugar League Awards Grant

The Florida Sugar Cane League awarded this week a \$23,500 research grant to the University of Florida's Agricultural Research and Education Center at Belle Glade.

The grant is part of an ongoing program to help underwrite research in all facets of the sugar industry according to league vice president and general manager Nelson Fairbanks.

The funds were funneled through the university's Institute of Food and Agricultural Sciences, which has jurisdiction over the local center.

"We make regular donations," Fairbanks said, "to the AREC, the research facility at Canal Point and the Belle Glade Experiment Station."

Center Director Dr. Dan W. Beardsley, said the research being funded will include additional work on sugar cane breeding and selection, weed control and sucrose enhancement, sugar cane fertility and cold physiology and nematode and wireworm control.

Beardsley said the breeding and selection work is a cooperative effort with the Canal Point facility operated by the U.S. Department of Agriculture. He said this research is a part of a long-term program to increase sugar production by developing superior varieties.

Such experimental varieties are being evaluated for tons of cane per acre, tons of sugar per acre, fiber content, erectness, disease and insect resistance, cold tolerance, brittleness, stubbing ability and suitability to mechanical harvesting.

This research is being supervised by Ray Walker, research associate at the center.

"Controlling weeds in sugar cane has always been a major problem for the industry," Beardsley said, "and research is being aimed at finding herbicides that will do the job without harming adjacent vegetable crops."

"Research on sucrose enhancement is aimed at inducing early maturity and consequent higher sugar content through the use of chemicals."

Dr. Joseph Orensio is directing this research effort. Once more is learned about the requirements of sugar cane, production can be increased substantially, Beardsley said.

He noted several improvements have been made during the past five years and further refinements are needed, especially for nutrition of sugar cane in poor-producing organic and infertile sandy soils where acreage is being expanded.

Research in sugar cane cold physiology has emphasized the detrimental effects of cold at planting and new varieties are being evaluated for their keeping quality following freezing.

This phase of the sugar cane research program is being headed by Dr. Gary J. Gascho, an associate professor at the center.

Beardsley said the wireworm is one of the major sugar cane pests and preliminary research indicates a bait impregnated with insecticide may help control wireworm in stubble crops.

Nematodes are also responsible for damage to the crop, but there is no accurate estimate as to how serious this pest really is.

He said research has shown the pest can be controlled with some degree of success with chemicals or by flooding the fields.

Professor William Geung and Dr. John Hoffman, associate professor, are working on this research in cooperation with Harry Samol, an entomologist with the Florida Sugar Cane League.

Although this wasn't a record year for production, "Although this wasn't a record year for production," Beardsley said, "the increase in the price of sugar due to increased world demand has more than compensated for the loss in production of three fairly severe frosts."

Find Someone

For several months now, the city has been making modifications to the city's sewage treatment plant in an effort to raise the moratorium on adding new units to the system.

There have been a number of delays, some of which have made the city look pretty bad in the eyes of the people it has to satisfy, namely the Palm Beach County Pollution Control Board and the state Department of Environmental Pollution Control.

Those parties have added their own confusion to the controversy too, but the latest delay is unclear for the city. The city has met all the demands made on it by the two pollution control agencies, even surpassed them to the point that, at least until now, no effluent has been released anywhere.

So, during a meeting on April 25, the pollution control agency at the county level asked for certain documentation and Brily-Wild and Associates, the city's consulting engineers promised they would have it by April 29, a week ago Monday.

During a special city commission meeting this Monday, May 6, City Manager William Mallory told the commission Brily-Wild had finally gotten the information to the county Friday.

And even that was incomplete. Mallory didn't make any recommendations. He didn't have to. All he said was that he wanted to let the commissioners know where the city now stands.

The obvious conclusion was that Brily-Wild wasn't doing its job, and Mayor Aubrey Farmer pointed out they had fallen down several times in the past. The solution is just as obvious. This is a critical situation for the city and if one firm isn't doing the job, find out why. If they can't do the job, find someone who can.

Someone Special

We have devoted a large segment of our newspaper today to Mother's Day.

We would like to congratulate nine-year-old Tammy Scruggs for winning our competition. It came down to choice between her letter and a very nice letter written by Cheryl Brown. But since Miss Brown was three years older than Tammy we felt she should be the winner.

Now—a little quick quiz.
 How many of you know Mother's Day started? Do you know what country originated the idea? Do you know who is credited with getting it started? Or do you know the difference between wearing a red rose and a white carnation on Mother's Day and how the difference got started?

We hope you are all taking notes, because there is going to be a short quiz next period!

Actually it was a Miss Anna M. Jarvis of Philadelphia who got the ball rolling way back in May of 1907. She persuaded the church she attended to set aside one Sunday for special services honoring mothers. Everyone was asked to wear a white carnation.

The idea caught on and by the following year several churches around the area took up the idea. It seemed Mom was a pretty special someone to a whole lot of people, so by 1911 every state in the union had some kind of a Mother's Day celebration. Miss Jarvis' lifelong dedication to getting something special started for mothers paid off handsomely.

The white carnation versus the red or pink rose came in honor of President William McKinley who had been assassinated in 1901. He always wore a white carnation which was his mother's favorite flower.

So the tradition started that you wore a white carnation on Mother's Day if your mother had passed away and a red rose if she was still alive.

And while an African is given the credit for starting Mother's Day as we now know it, the honoring of mothers goes way back into ancient times. The oldest observance is found in the religion of India and the Durga Puja. It was the honor of the divine mother.

And after all— isn't your mother just divine?

OUR JOB BEGINS AT HOME.

April is community month for the Army Reserve all over the country. We're ready to help out at home.

How Sweet It Is

Horse Owners Of The World, Unite!

Dear Sir,

For sometime now horse owners in this area have been plagued by unexplainable incidents that have occurred with their animals and riding equipment. For example, that registered mare found wandering in the middle of the night

\$343 Sewage Bill Decried

Cont. from page 1
 minimum of \$4 monthly.

Lawrence Epps, owner of a 40 unit apartment building, made a special complaint over his first month's sewage bill of more than \$343.

He said he felt the assessment of \$115 per month is too high and, at the commission's suggestion, decided to supply the individual water meters to the building instead of the one water meter now in use.

City Clerk Virginia Walker pointed out to the commissioners and the complainants the rates for sewage has been set by the city ordinance financing the sewer project and can only under construction and a housing development.

City Clerk Virginia Walker, back on duty following a recent hospital stay, advised the commission they should start

on a main highway, stolen riding equipment found weeks later, in a sorry condition on a horse taken from a private pasture miles away, the very end of a poor toilet built without food or water.

Clip-jobs and tail jobs that were given without authorization of the animal's owner and a list that continues ad nauseam.

However horse owners take heart - last weekend a concerned citizen reported an eye witness account of trespassing and use of privately owned riding equipment and horses on private stable property. This unfortunate case occurred in daylight performed by a group of youngsters who certainly had no permission for this type of behavior. This is the second reported happening of this nature.

Now that some concrete basis has been formed for taking action, I urge that a curfew watch be taken. The proper authorities have been given a full report and have been careful vigilance. This is a city and county level. Please do not hesitate to file a complaint with our law enforcement officers. They can only help if they realize this problem exists.

It is hoped that parents and concerned adults will carry enough about the safety and welfare of their youngsters to assist in this problem. Such behavior and lack of respect for others' privacy and property is dangerous and punishable by law.

Commissioner Esther Berry suggested the commission take a closer interest in developments at the 8-day law under construction and a housing development.

Miss Berry suggested the city could act as a screening point for employees of the motel and restaurant being built by Royals, Inc.

Judith Annapp

Wait'll Next Year? This Is It!

Wait'll next year, they said, and brother, I got a glimpse of next year this week.

Went over to Glades Central Monday to get a gander at what will eventually be the 1974 version of the Maroon Machine. Looks like the Raiders could be quite impressive...at least if the first day of spring drills are any indication.

And if you can trust the judgment of an admitted non-expert.

As I walked onto the field, the varsity candidates had just been turned loose by head Raider Al Werneke to do a lap around the field before forming into groups according to their (hoped for) positions.

There must have been 85 to 90 young athletes doing their turn around the field and most of them looked like pretty fair football material.

To tell the truth, this was the first time I've ever seen a team on the first day of spring drills and I didn't think they'd be doing anything but exercises.

Some of those exercises made me tired just to look at them...like that weird duck waddle they do on all fours, but with their backs down. A little dab'll do ya.

I don't think even a prospector can on my record the only thing athletic about me are my feet.

I didn't get a chance to talk to Big Al, so I don't know what he'll have to say about the Raiders' chances for the coming season, but then, head coaches hardly ever give out what they really think anyway.

I don't think even a prospector can on my record the only thing athletic about me are my feet.

Remember Bear Bryant talking about those "skinny little kids" of his, just before they clobbered Nebraska for the

CRACKER CRUMBS

BY DEAN JONES

second year in a row to win the national championship?

At any rate, Paul Doe seemed pretty satisfied with the potential material. Mater fact, he'll probably deny it but I made some comment about playing 15 games this year.

That was just before he reverted to type and said the Raiders would have to play the games one at a time and they're not looking past Atlantic, the first team on the schedule, yet.

Atlantic. That ought to bring up some memories for those of us who went over for the season's opener last year.

Atlantic equals misery. That's what I remember...and what I'd like to forget. Big, fat drops of rain beginning to fall just at the kickoff and a rain so hard I was looking around for a funny-shaped boat boarding animals two by two.

And the Eagle offensive picking apart a green Raider defensive unit, not to mention an Eagle defense stopping a green Raider offensive 11 cold.

But that was last year. It's part of the record books and this year, I hear Jerry Adams, which produced a pass of senior players, that would like to get off the book.

off the record

with Glenn Loney

We got some good news in the mail the other day.
 For the second year in a row The Belle Glade Herald has won awards in the statewide contest. Judges are from out of state so that no favorites are played.

Newspapers are judged in their respective categories. Last year we were judged in the under 3,000 category since our circulation for most of the judging year, 1972, was under 3,000.

But just after the middle of 1972 we went past the 3,000 circulation mark. So this meant this year we were judged in the over 3,000 category—a whole nether ball game. This put us in the big leagues so to speak, of weekly newspapers.

We were still able to walk away with three awards—for typography, one for best news photo and one for in depth reporting. Last year we won four awards.

We took a first place in sports writing, a second place in general excellence, a third place in best advertising promotion and an honorable mention for best special issue.

While we only got three awards this year as compared to four last year, when you take into consideration the competition we are up against this year we feel pretty good about it down here at The Herald.

We won't know what places we finished in until the Florida Press Association meeting in Tallahassee next weekend. Our best news picture was the mosquito plans that crashed into the canal at the Belle Glade Airport. Best in depth reporting came on our coverage of State Rd. 80.

While the stiff competition almost rules out a first place in any of the three areas, we can still hope. We'll tell you all about it when we get back from the state capital.

George Granger, Alfredo Bauer and myself were sitting around solving the world's problems the other day. Alfredo was up on his soapbox as usual telling us how much what is

The Emperor Caligula who ruled ancient Rome from 37 to 41 A.D. gave his favorite horse the name of consul and co-consul, and kept him in an ivory stall where he drank the finest wine from a golden goblet, and was attended by his own slaves!

going on in the United States today reminded him of Cuba when he was a little boy. We really shouldn't be so facetious, and really we don't mean to be, because some of the things Alfredo was saying made a whole lot of sense.

But with all the problems Nixon and his cronies are having right now, I still feel many people are missing one important point.

What has been found out about the Nixon campaign is a mere bagatelle compared to what has gone on in other administrations. This is not to defend Nixon. But really, he got caught. Lyndon Johnson was too smart to get caught. So was John Kennedy.

The latest farce acted out in Watergate—the transcripts—are just that, a farce. I am in the editing business. Have been for the past 15 years.

You edit-as Mr. Nixon did with his tapes—for only one reason. And that is to keep certain things from being seen for one reason or the other.

Actually, the transcripts instead of the actual tapes are just a stall. Nixon has now devoted his life to surviving the presidency. He does not want to go down in history as the only American president to ever be impeached.

The transcripts will take months to wade through. By the time the Senate finally gets around to trying him it will be time to elect another president. If indeed, we still have the right.

I picked up an interesting statistic the other evening at the Ellis Club. Almost three-quarters of a million acres of corn were shipped out of Belle Glade last week. This is somewhere in the neighborhood of almost 2.25 million ears of corn.

I don't know. To an old city boy like myself that's awfully impressive. Now remember, fallas. Sunday is Mother's Day. Most are reading this put it down and immediately dial your parents' home. If you don't, you're a jerk. And if you do, you're a jerk too. It's shipped out of town with all that corn!

The Emperor Caligula who ruled ancient Rome from 37 to 41 A.D. gave his favorite horse the name of consul and co-consul, and kept him in an ivory stall where he drank the finest wine from a golden goblet, and was attended by his own slaves!

Speaking of jerks, it's amazing what talent you can find around the newspaper office. Our resident jerk is Karen Hansford. You know, the author of Karen's Korner.

Well, Karen has been getting hot to not to pit her softball skills against the competition in the Women's Softball League but I saw a demonstration in the office Monday which might argue against such a course.

Karen can sign her name with her toes.

Now, with a skill like that, playing softball is something like Van Cliburn taking karate lessons.

Of course, this revelation didn't just come out of the blue, nor was Of Twinkle Toes Hansford aware of it until I forced the issue.

There she was, propping her feet up on my desk. But just propping her feet on a desk isn't good enough for Karen. Nope, she has to do it barefooted, and play with a can of developer with her toes.

That's when I got the idea. I figured if she could manipulate a can like that, she could sign her name. So I said, "If she can sign her name, it only follows she can do any number of things like re-writing the Declaration of Independence (or is it 'The Gettysburg Address) on the head of a pin."

I could be her manager, of course, raking a flat 40 per cent off the top, of course (isn't that what managers are getting nowadays?)

Too bad Ed Sullivan isn't on television any more. Why, we could make a million dollars.

Now, if I can only persuade Karen not to risk that 85 pounds of talent on the so-called diamond and put it to a more constructive use.

I think My Mother should be Mother of the Year because: She feeds me and buys me clothing and loves me. Without my mother who else could love me? She punishes me when she's mad, when I do something wrong, but I still love her.

Robert V. Should be "Mother of the Year"

I think my Mother are to be Mother of the year because: My Mother be nice to us and she is a good mother but I think she would not like to be mother of the year I like her to be mother of the year if any mother do like to be mother of the year but I think that Mrs.

Kent are to be mother of the year if she like to be Mother of the year she can be mother of the year if her family think that Mrs. Kent are to be Mother of the year

Patricia Adley

Why I Think My Mother Should be "Mother of the Year"

I think my Mother should be "Mother of the Year" because she is nice and sweet. She helps me when I need help or when I want her to keep me company.

I want her to be "Mother of the Year" because I want to pay her back by loving her as

much as she loves me.

Brooks Tuell

I think my mother should be mother of the year because she is very nice and gives us what we want some times, and buys me my clothes. She takes care of us when we are sick. And I think She should be mother of

the year.

She always takes us where we want.

Julio Rivas

Why I Think My Mother Should be "Mother of the Year"

Because she loves me. She takes me to town, and she

buys me food to eat. And she buys me pets. Because she buys me games. And I think my mother is pretty, and she's nice.

Jan Price

I love my Mother. She is so pretty. And I hope she can be the Mother of the year.

Lee Johnson

Why Think My Mother Should be "Mother of the Year"

Because She loves me. And she take us to town. She's very nice. I would love my mother to be the Mother of the year.

Duenna Harris

Stokes Rites Held

Funeral services were held May 4 for Wilma Jackie Stokes at Patton Funeral Home Chapel in Clewiston. The Rev. Derryberry officiated at the chapel service and for burial in Ridgewood Cemetery in Lewiston.

Mrs. Stokes, 24, died suddenly on May 1. She was a native of Lake City, S.C., a former resident of Belle Glade and was residing at 320 N. Hart St. in Orlando at the time of her death.

She is survived by her husband, Lamar Stokes of West Memphis, Ark.; her parents, Mr. and Mrs. James T. Jones of Belle Glade; three sisters, Peggy Wright of Orlando, Linda Sullivan and Sharon Jones, both of Belle Glade. She is also survived by John Thomas Jones of Belle Glade.

Funeral services were O.A. Costa, Jessie Costa, George Battle, Joe Elder, E.T. Bartlett Jr. and R.B. Cochran.

Pharmacists Attend Meeting

Two Belle Glade pharmacists were among those attending a consultant pharmacist conference recently at St. Petersburg.

Pharmacists D.E. "Danny" Wallis and W.A. "Doug" Wooten took part in the conference, which dealt primarily with small hospitals and nursing homes. The conference took place April 20-21.

Award Presented

The 1974 dealership technician performance award certificate was presented to John Medley, at Watson Ford, by Ray Alston, Service manager. This award is presented for accomplishment in the 1974 certified training program. In addition to his certificate, Medley received a plaque to be attached to his toolbox and a gift certificate. Mr. Medley has worked as a mechanic at Watson Ford since 1969 and has been a Ford training schools and is a certified technician in all types of automobile repair and service.

Dere Glenn:

Whadda 'ya mean I'm not eligible to enter the Mother of the Year Contest? Just because she works for the newspaper?

What the heck, I work for the newspaper too and that's no excuse.

I got the greatest Mom in the world and if you don't believe me, just lamp that picture in front of me.

I gotta admit, though. That was a pretty good letter Tammy Scruggs wrote.

Said a lot, didn't it?

For a nine-year old girl, those were pretty good reasons why Mrs. Scruggs should get the title. Matter of fact, we had a lot of good letters from kids who felt just the same way Tammy and I felt.

We've all got a lot to be grateful for and I guess that's what Mother's Day is all about. Guess that's what the Herald's contest was all about too, huh.

Oh, well, if I can't write a letter why I think my mom ought to be Mother of the Year, I'll just take this felt marker and write something else...maybe on the desk top.

DURALITE

FOR MASONRY

Seals, protects and gives beautiful color to all masonry surfaces, such as brick, cement block, stucco and substrate siding. DURAFLEX ACRYLIC HOUSE PAINT produces a "breathing" type film which allows moisture within the substrate to escape in the form of vapor while protecting the surface from water from the outside.

... AND WOOD

DURAFLEX ACRYLIC HOUSE PAINT flows on so easily to provide a blister-resistant low sheen finish for all wood siding, trim, shakes and paneling. It dries within an hour, greatly reducing the chances of dust or insects sticking to the surface. Whites stay white, colors stay bright, your home stays beautiful year after year.

Also available in WHITE A-161-00 and BLACK A-161-01

Hundreds of additional colors available in the Full-Color System.

My Mom's The Best

My Mother is very nice and healthy. Sometimes she helps me with my work and sometimes she helps my brother. My mother loves children. My mother will doctor on my sore sometimes. She keeps her house clean. She likes her friends. She gets up in the morning at 6:30 P.M. and we leave at 7:00 A.M. Sometimes we walk to the road in the morning and sometimes we ride My mother wear pretty clothes. And wash all of the clothes and cook.

"Why My Mother Should Be Mother of the Year"

Why my mother should be mother of the year because my mother will help me when I have a hurt on my finger and she will help you. She is nice to many children and she will help me my brother and sister. We like her very much. She is very kind to many people and nice and sweet. She will help you. She helps me when I am sad. She cleans up the house, she cook, wash clothes and she do all the housework. I love her very much and that why my mother should be mother of the year. I am in fourth grade 4 Goble Johnson.

My mother should be mother of the year because she is very kind and helpful. She takes us bowling every Saturday. After school she buy us something. She keeps the house clean. She works real hard to buy us the things we need. She cooks three meals a day. If we need some shoes she will get us some. She gets us up to go to school. She helps us with our work. She helps us when we are in trouble. She listens to us. She is understanding. That is why I think my mother should be mother of the year. I am in fourth grade 4 Cindy May 4th Grade

Why my mother should be mother of the year because she is very nice and she helps me do things when I can't do it. She cleans up things and makes the house look pretty and lovely. She washed the clothes. She give me food. She wakes me up to go to school. She kiss me goodnight when I go to bed. She is why my Mother should be mother of the year. Kenneth Wirt

My mother should be mother of the year because she like to help people she like to sing to us and read the bible to us and say's the grace at the table. She cooks for us and loves us. She wash for us sometimes she pray with us too. We go to the beach with her and we go to the park and have a picnic. She spend lots of time with us she is full of goodness.

When My Class have a party she bring something to help out. When they have P.T.A. meeting she comes if she have the time. She is going to start book working at the Beauty Inn. My Mother like to a nice and like to plant flower and water them she clean the house she does lots of joyful and wonderful kind thing. By Veronica Shaw With Love

My mother should be the mother of the year because she is very kind sweet and nice. She help me when I need her. When I go to town she will give me what I want and need. On Sunday for the wife Chris and the preacher and his wife anniversary. She is the best I even on earth that why I think my mother is the best mother of

the year because she is so sweet and kind to me.

"Why my mother should be mother of the year Because"
She stand home and clean the house and washes the clothes and fold the clothes. They go to fishing to the lake. She puts water on the flower. She clean around the house and plant flower seeds. She go shopping. This is why I think my mother should be mother of the year. Calvin Hodge

By Mary Bennett C-2 4 grade

Dear Belle Glade Herald, I think my mother, Mrs. F. Navarro, should be the mother of the year because she's very nice to me and she always give me money when I ask her. She takes me to many places. She buys me lots of things. She takes good care of me and my sisters and brother. I love her very very much. I think she's beautiful and I think she should be the mother of the year.

Sincerely yours, Sylvia Navarro

Dear Belle Glade Herald, I think my mother, Mrs. Elvora Edwards, should be the mother of the year because she is the nicest mother a person ever had. My mother is so good that I love her very very much and she loves me too. My mother is a good cook. I enjoy her food.

Sincerely yours, Janet Edwards

Dear Belle Glade Herald, I think my mother should be the mother of the year because she is the greatest mother a family could have. She is learning to be a nurse to help other people that's why I think she should be the mother of the year.

Sincerely yours, Tracy Wenzel

Dear Belle Glade Herald, I think my mother, Wilma Duvigne, should be the mother of the year because when I get hurt outside she tells me to come in. She puts a band-aid on my cut and takes good care of me.

I'm not saying that she gives me any thing I want, but sometimes she gives me a few things. I want to get a pool, my mother won't let me because she is afraid I will drown. But if I saw a notebook, I really liked and it didn't cost too much, she would buy it for me. Thanks a lot Mom, for doing those things for me.

Sincerely yours, Tammy

Dear Belle Glade Herald, I think my mother, Mrs. Georgina Bessie, should be the mother of the year because she is very nice to me. And always helps me with lots of things. She doesn't like to cook as much as my father does but she can cook well. My father's nice too, but my teacher didn't tell me to write about my father. I do things for my mother and she does things for me. I love her very much and I'm sure she loves me.

Sincerely yours, Sofia Bessie

Dear Belle Glade Herald, I think my mother, Mrs. Patricia Lynn, should be the mother of the year because she is good to me. She looks like the mother of the year. I love her too. She is nice, so matter what happens but sometimes she's mad at me but she is still nice to me.

Sincerely yours, Red Men's River

There are five people in our home. She works at Cove where I go to school. Sometimes I go home on the bus but most of the time I stay in school with her. I want her to be the mother of the year because she looks like one.

Sincerely yours, Anne Lynn

Dear Belle Glade Herald, I think my mother, Mrs. Minnie Crawford, should be the mother of the year because she is a good mother. I live with my mother and father my six sisters, five brothers, and my dog. She is good to all of us.

Very truly yours, Jacquelyn Crawford

Dear Belle Glade Herald, I think my mother, Mrs. Mary Jones, should be the mother of the year because she is a very nice person and she wants the best for me. She is very beautiful, and has great respect for even the smallest children. She tries to get everything I need and she would try with all her power to make everyone happy. To the best mother in the world. Mrs. Mary Jones.

Yours truly, Crystal Jones

Dear Belle Glade Herald, I think that my mother, Mrs. Vera, should be the mother of the year because she is a very nice person. Every time I want some new clothes she goes and buys them for me. She also takes very good care of me. She lets me go to most of the places that I want to go. She keeps me very healthy and I'm very glad of that. That's why I think that my mother should be the mother of the year.

Sincerely yours, Betty Vera

Dear Belle Glade Herald, I think my mother, Mrs. Mary Thelma Upshaw, should be the mother of the year because she is the nicest mother anyone could ever have.

Sincerely yours, Elton E. Upshaw

Dear Belle Glade Herald, I think my mother, Mrs. Sue Bailey, should be the mother of the year because she's so nice to me and lets me do things. She spends time with us too. My mother takes us very much. And when we are hurt she helps us. She is the nicest person in the world.

Sincerely yours, Tracy Bailey

Dear Belle Glade Herald, I think my mother, Mrs. Florence Smith, should be the mother of the year because I love her and I think she is the most lovely and nicest person in the world. She is the nicest mother a girl could ever have. And I think my mother is the most thoughtful person who ever lived. Thank you for listening to me.

Sincerely yours, Regis Greenwich

Why my mother should be mother of the year. Because she is very nice and very sweet. She has a very good knowledge. My mother is very understanding. She likes to help others to get well when they are sick. She could be a very nice nurse.

She likes children. She is about six feet tall. And has black and white eyes. Black hair. And she is medium. And cute too.

She likes fishing, camping, schools, children, and airplanes, but most of all is going to church and around many other places. That is why I

Yours truly, Jeanette Clark

Dear Sir: My name is Marjorie Gregory. I am in the second grade. My Mother should be Mother of the year because she gives me food to eat that is why I think she must be Mother of the year.

Yours Truly, Marjorie Gregory

My mother should be mother of the year because she does lots of things for her family. She cook, keep the house clean, she washes the clothes and she cook special meal for us. And she is very kind to other people. She let me play mostly all of the time. She works and she still have time for us. And God knows in heaven that we that is why I ask him to please let her stay with us. Because she done a lots of thing for us.

Maxine Hunter

Why my mother should be Mother of the year? Because she is the best mother I ever had. Even when you ask her to help you with something she would do the best she could. If you ask her for some money she would give it to you. And she loves children to her heart. And she believe in God. And she would give us a word. And my mother needs a lady and her son suffering. And they had no food to eat. No clothes to wear. She gave them food to eat and clothes to wear. She help them. That's why my mother should be the Mother of the year.

Katie Evans

Why my mother should be mother of the year. My mother should be mother of the year because. She is nice and polite and honest. She is wise and good to me and she is a Great mother to me and my friends. She fix me a snack when I get home from school. She is the greatest mother in the world and

Mary Darrell

I think my mother should be mother of the year, because when I do something wrong she punishes me for it. And I can talk things out with her. And she is fair to the whole family. But sometimes I get mad at her. But I don't stay mad at her very long. But most of I love her and I know that she loves me.

Robbin Carroll

But my mother buy's a new shorts. My mother give me money. My mother help me. But my mother help people and I help my mother. And my mother help me too. My mother will help you too.

DESFILE DE GRADUADOS

Hey traemos dos nuevos graduados a nuestra columna latina. Queremos felicitarlos sinceramente al igual que a sus padres, por el éxito logrado.

FELICITACIONES

El proximo 10 de Mayo cumple 9 años el inteligente niño Juan Armas García hijo de Juan Armas y Mireyita García de Armas. Por este motivo queremos deseales muchas felicidades, tanto a el como a sus padres y que siga cumpliendo muchos años más.

Cumplio 18 años el pasado 6 de Mayo el joven Rodolfo Vidal hijo de Rodolfo Vidal y Carmela González de Vidal. Muchas felicidades. Rody.

También queremos felicitar muy especialmente a dos amigas muy queridas de Belle Glade, las Sras. Luísa Blanchard y Mireyita Armas que también cumplen años en este mes de Mayo.

Son ellos: Ibrahim Alava Barredo, presidente del comité de estudiantes, graduado del Glades Central High School, hijo del Sr. Ibrahim Alava y Sra. Enriqueta Barredo de Alava; ambos vecinos de Belle Glade. También a Grisel Barbara Pérez Sardinias, miembro de la banda del colegio y graduada también del Glades Central High School, hija a su vez del Sr. Armando Pérez y Sra. Carmen Sardinias de Pérez, ambos vecinos también de la localidad.

DIA DE LAS MADRES

A traves de este diario, enviamos a todas las madres nuestras mas sinceras felicitaciones, y a la vez nuestra gratitud por lo que ellas significan para sus hijos y en tantas ocasiones para aquellos que no lo son, pero que reciben de ellas el cariño y el cuidado en momentos especiales.

En este mundo que Dios creó, las madres tienen el ministerio no solamente de cuidar físicamente y dar al hijo lo necesario para vivir materialmente, son ellas las llamadas a enseñar en sus

primeras experiencias espirituales, a enseñarles a rezar y orar; los principios eticos son ellas las que tienen que vivirlos para de esa forma influenciar las vidas de los pequeños; la moral es vivida y enseñada por ellas; la paternidad, el orden, estas y otras muchas enseñanzas y principios entran en el ministerio de ser madre.

En el hogar, ella es la que pasa el mayor tiempo con sus hijos. Ella es la que ayuda a formar los caracteres, y hacer del hogar el sitio donde los hijos quieren vivir, y luego en la vida formar ellos un hogar como en el que ellos crecieron. Nuestras vidas dependen en un gran porcentaje en nuestras

madres. En lo que ellas son, en lo que ellas nos dieron. Hoy en que estamos a pocos dias de la celebración de este día las respetal, damos a ellas nuestra gratitud, y por las que ya no están con nosotros, damos a Dios gracias, porque supieron cumplir en su mayoría, este llamado de Dios a la maternidad, dejando a un lado muchas veces sus intereses para servir los de sus hijos; dejando horas de sueño, para cuidar del enfermo, y riendo muchas veces con las "gracias", que sus hijos tenían para ellas. UN FELICISIMO DIA DE LAS MADRES.

ESTIMADOS LECTORES

Estamos en una época del año, donde muchos cosas pasan. Por ejemplo muchos de los jóvenes se están graduando; otros de sus hijos están a punto de tomar su Primera Comunión; muchos de ustedes saldrán de vacaciones; quizás sus clubes o ligas están planeando actividades especiales, etc.

Mostramos quisieramos servirles y ayudarles a que otros se gozen con ustedes en los exitos de sus hijos, o en las oportunidades que para usted y su familia les provee el verano.

News From The Home Front

The Belle Glade Herald

King And Queen Of Mayday Preside

Taking their rightful places on their thrones, the King and Queen of May presided over Mayday festivities Friday morning at Belle Glade Elementary School. The Queen of May was Jackie Battle and the King of May was Edwin Coffie, both fourth graders who watched with interest as the school playground became the scene of about 15 events including everything from the tumbling shown here to dancing of several kinds and singing.

GDS Earns Honors

Last weekend was one to be remembered by Glades Day School as students walked away from three different district and state gatherings with honors. While the school's baseball team was clinching the District VII championship (see the sports page for details), the Beta Club carried away the state presidency and the school band won an excellent rating in St. Petersburg. David Harold "Hal" Unwin of Pahokee left the state Beta Club Convention in Clearwater as the state president, being elected and installed over the weekend. School Club sponsor Cathy Battle said Unwin served as freshman and sophomore Beta president and this year was the historian for the club. Next year, he will be club president. She said he has also served on the school's annual staff as a photographer and is a member of the school's Southwestern Institution Association. Miss Battle said a total of 24 Glades Day students and four chaperones went along to the convention. In the meantime, the school entered its first state band competition, held in St. Petersburg and school band director Fred Stevens said the school was an "Excellent" rating its first time out. The band earned the rating, however, without the aid of Stevens, who was left at home, sick, while substitute Paul Chaffin led the group to its award. "We were the only private school at the state competition," Stevens said, adding the school won the title in Class C. Glades Day has a 10-member band at the high school level and a 24-member 8th grade band.

"Most schools our size," Stevens said, "have about a 40-member band." On the way from the school to the band's hotel in St. Petersburg, one of the buses broke down and Stevens said the band didn't arrive until late the night before the competition, getting up early to march the next morning. He said the excellent rating was received in concert and sight reading. The band progressed in the state competition on the basis of a superior rating received at the district competition in West Palm Beach. A total of 87 bands, representing schools in every class from all over the state, took part in the competition.

D.H. "HAL" UNWIN is state Beta president.

High School Voters To Be Registered

Glades Central High School seniors will be participating today in the annual Plymouth Trouble Shooting contest in Fort Lauderdale, vying against auto mechanics from 15 other South Florida high schools. The two contestants from the local school are Philip L. Kirckman, 17, the son of Mr. and Mrs. A.H. Kirckman of 659 S.E. Third St., and Carl Maude Verren of 512 S.W. Ninth St. Auto Mechanics instructor Kenneth Bowermeister said he has high hopes for the two seniors this year since he now has a better idea of what the students will be tested on. He said he has been working with Kirckman and Verren at night to get them ready for Fort Lauderdale. "Whether they win or not, though," Bowermeister said, "this will be good experience for the two boys, and I think we stand a good chance of placing pretty high. I gave the boys a test of 30 questions the other night, based on what was asked last year," he said, "and they got all but six of them right." Both Kirckman, whose father owns a local service station, and Verren, said he intended to find work in auto mechanics following graduation. Verren said he is now interested in enlisting in the Army and getting assigned to the motor pool. Bowermeister said all of the seniors taking part in the program last year are now involved in mechanical work, many of them in the Belle Glade area. He said the next year's curriculum will be expanded to include fork lift repair. Should the two seniors come in first at the regional competition, they will receive an all-expense paid trip to the national finals to be held in Dallas, Tex. June 16-18. In addition to the trip, prizes and awards in the National Finals are worth more than \$90,000 in college scholarships and other prizes for the seniors.

Carpenter Attends State Conference

A local insurance agent is attending a two-day Governor's Conference for Small Business in Tallahassee. Milton Carpenter, owner of Milton Carpenter Insurance of Belle Glade, left Wednesday for the conference, which is scheduled to wind up today. He said he also intends to talk to state representatives and senators while in Tallahassee. A spokesman for the state Department of Commerce said he believes the conference "will be a significant step toward establishing greater familiarity on the part of state government with the problems and needs of small business throughout the state."

He said Gov. Reubin Askew has said not enough attention has been focused upon the needs of small business heretofore. Carpenter said he intends to talk to state legislators concerning consolidation of government and the press of legislation on small businesses. "We're losing control of our government," he said. "We're losing our municipal courts and I feel this is a step in the wrong direction. I may be a voice crying in the wilderness," Carpenter said, "but I think there are quite a few people who feel the same way I do, particularly in the Glades."

He said another thing that bothers him, which he intends to discuss with state legislators, is the large amount of legislation being written concerning small businesses to the extent it's becoming almost impossible to operate. He said "The sheer weight of paperwork is becoming burdensome and onerous. We're being legislated to death."

MILTON CARPENTER PREPARES FOR FLIGHT to Tallahassee conference with Dr. Clarence Kidder.

Students To Attend Olympics

A group of about 25 students at the West Area Exceptional Education Center at Gove Elementary School will travel to Gainesville to participate in a statewide special olympics June 15. Miss Kathy Mangan, the center's physical education instructor and coach of the children who have already participated in the county and district meets, both held in Lake Worth, said she still isn't sure how many will be able to make the trip. Miss Mangan said a number of people have donated their time and money to make sure the Glades center students have had a chance to complete in the games. The Belle Glade Junior Women's Club provided the \$3 entry fee for the children about 60 in all, which pays for their entry in all three of the meets. Dr. Kelly O'Neal and Mrs. Betty Ringland, R.N., provided the necessary physical examinations and employees of Community Action Migrant Program provided the transportation to the first two meets. Miss Mangan said three other teachers at the center, Miss Glenda Hawkins, Mrs. Mary Leigh Wall and Mrs. Peggy Snader, went with her and the children to act as chaperones for the first two meets.

Scouts Eye Exposition

A number of meetings, headed by the 1974 Scout Exposition in West Palm Beach, highlight the month of May for Glades District Scouts. The exposition, to be held May 10-11 at the West Palm beach, highlights the month of May for Glades District Scouts. "We're looking for good participation from the Glades District," District Executive Earl Hartman said, "which was the top district overall in '73 at Expo." "Leaders," he said, "this is where boys, parents, friends and relatives see Scouting in action. Let's have a big turnout and make those ticket sales count. We'll see you there." Other meetings will include a District Committee meeting at 7:30 a.m. May 16 at Community United Methodist Church. On May 28, there will be a Council Annual Planning Meeting and all district chairmen and council executive board members will be expected to attend. Cub Scout and Scout Leadership Roundtables will be held at 7:30 a.m. May 28 at Community United Methodist Church, which will highlight the summer program and District Day Camp. The Auxiliary extends a very special thank you to Mr. and Mrs. Dudley Barrow, Mr. and Mrs. Milton Carpenter, Mr. and Mrs. Alvaro Sanchez, and Mr. and Mrs. Don Fliebs for opening their beautiful homes and gardens to us. In addition to being such gracious hostesses, Mrs. Sanchez and Mrs. Fliebs served refreshments to the touring group, while Mr. and Mrs. Carpenter presented Vanda orchids to all the ladies who visited their Japanese gardens. At the end of the tour a drawing was held. The prize was an original painting entitled "Jeannette Cameron." The winner was Mrs. Ethel Bair.

MRS. ETHEL BAIR ASSISTED BY MRS. DON FLIEBS DISPLAYS PAINTINGS she won while artist Jeannette Cameron looks on following Sunday's home tour.

House And Garden Tour Is Given By Auxiliary

The Glades Auxiliary of the Children's Home Society presented a House and Garden Tour Sunday afternoon, May 6. The tour was enjoyed by more than 70 local residents and some from West Palm Beach. The Auxiliary extends a very special thank you to Mr. and Mrs. Dudley Barrow, Mr. and Mrs. Milton Carpenter, Mr. and Mrs. Alvaro Sanchez, and Mr. and Mrs. Don Fliebs for opening their beautiful homes and gardens to us. In addition to being such gracious hostesses, Mrs. Sanchez and Mrs. Fliebs served refreshments to the touring group, while Mr. and Mrs. Carpenter presented Vanda orchids to all the ladies who visited their Japanese gardens. At the end of the tour a drawing was held. The prize was an original painting entitled "Jeannette Cameron." The winner was Mrs. Ethel Bair.

Raiders Begin Spring Football Practice

No, it isn't really a ballet class. The football helmets prove that. What it is, is football. The 1974 version of the Glades Central Raiders, or at least the candidates for next year's team, began spring practice Monday. The boys moving so gracefully in the picture above are defensive secondary candidates being put through their paces by coach Willie McDonald. At right, head football coach Al Werneke show the prospective quarterbacks how it's done with a flick of the wrist and below, the horses up front get in a little line practice.

Looks like we may have some future major leaguers out at the Little League-Jaycee ball park.

Last Wednesday night I got off from work a little earlier than usual for a change so I decided to mosey on down to the ball park and see what was happening with the Little League baseball teams, or Pony League, or Farm League, whichever one was playing baseball that night. Come to find out it was the Pony League, with the teams A. Duda and Sons and Elka.

As I parked the car beside Duda's dugout the first thing noticeable was a great big German Shepherd wearing a green jersey with the team's name on it. Everyone got a kick out of that. What was even funnier, the dog didn't give a care about the game, he just found a spot away from all the noise and chatter (which was pretty hard to do) and took a little nap, or at least tried to.

He had a couple of interruptions such as the time one of the players got a little excited - to put it mildly - and swung a bat to the ground. Only trouble was he hit the dog instead of the dirt. But it was nothing really serious and both dog and boy calmed down after a few seconds.

Well, back to the game. As I said before, some of these guys are really

good. One who stood out in particular was the pitcher for the Elka. That kid is built big but he is also solid with a capital S. Besides hurling those balls past the opposing batters, he also knocked in three home runs in one game. Oddly enough, both teams played to a tie. But due to the late hour, they will play the whole game over again at another time.

While I'm on the subject of baseball and the Little League park in general, I have good news for all of you baseball and softball players, men and women. Finally the lights which illuminate the playing field, mostly blinding the players, are going to be fixed or replaced.

Glades Youth Baseball, with Johnny Schleier in charge, is going to backing up the whole deal. It's costing \$1800 to replace them and Schleier said they are accepting donations from anyone interested in helping the league out.

The Men's Softball League is donating a couple of hundred dollars and the Women's Softball League is trying to help out there's still a lot more to be needed, so start working on your neighbors to help. After all, baseball and softball are active community sports and it does help to keep kids off the streets.

Approximately 65 Glades Central High School students turned out Monday for the first day of Spring football drills as head coach Al Werneke started work on the 1974 Raiders.

Werneke put the potential varsity players to work in basic drills after they had taken a lap around the field and formed into groups made up of defensive backs, offensive backs and linemen.

Athletic Director Paul Des, watching the first drill, said he was satisfied with the turnout, commenting that it appears the 1974 Raiders will have more depth at guard and tackle last year, along with more experience.

He said he had just that morning completed working out the 1974 football schedule. "I don't think we have a weak point on the schedule," Des said. He said the Raiders will host six games plus a pre-season jamboree.

"Put that together with the Pahokee game, which will be played up there," he said, "and that's seven games and a jamboree within close reach."

The jamboree will take place Sept. 6 and will include the

Raiders, Martin County, John J. Leonard and Pahokee. Each of the four teams will play two of the other schools in four quarters of football.

The 1974 schedule is:
Sept. 6 Jamboree - Martin Co.
J.J. Leonard, Pahokee here
Sept. 20 Atlantic Home*
Sept. 27 North Shore...Away*
Oct. 4 Cardinal Newman Home*

Oct. 11 St. Petersburg Catholic...Away
Oct. 18 Suncoast Home
Oct. 25 Key West...Here
Nov. 1 Naples Home (Homecoming)
Nov. 8 North Fort Myers...Away

Nov. 15 Martin County Home
Nov. 22 Pahokee...Away
(* denotes conference games)

Lawn Mower Safety

Now that Spring is here and the grass is greening up in the lawns in Florida, The Florida Turfgrass Association would like to remind you of some safety measures to take when mowing your lawn.

Each year an estimated 60,500 power-mower injuries are serious enough to require emergency-room care in a hospital.

Most of the accidents are caused by rotary mowers either from direct contact with the blades or being struck by objects flung from the discharge chute at high speed.

To avoid injury to yourself and your family, follow these recommendations:

Always turn off the mower before trying to remove lodged grass or other debris from the discharge chute.

Disconnect the spark-plug wires before doing any maintenance or repairs.

Rake the yard before mowing to get rid of stones, pieces of wire or other objects that could become deadly projectiles.

Be sure that children and other bystanders are well out of the way.

Wear safety glasses and sturdy shoes.

Safety guards and shields should never be taken off the mower.

Never stand in a direct line with the discharge chute when starting up.

Do not rebel when the mower is running or hot. Do not leave a mower unattended when it is running, or tip or lift a running mower.

Children should not be permitted to run a power mower, and inexperienced operators should be supervised carefully.

Do you tow a camper?

Those campers most in doubt about insurance needs are the ones who own travel trailers or camping trailers which are towed by an auto. And the question most often asked is: Does my auto and homeowners policy apply to my recreational vehicle? In both cases there is one answer - limited.

Under most homeowners policies, a camping trailer is insured against theft up to a limit of \$500. However, there is no coverage when it's off the policyholder's premises.

Auto policies offer some protection, but again it is limited and varies with the policy. Some offer automatic but limited coverage for trailers if they are acquired during the policy period. Other policies do not. And in some policies, a trailer is covered only if it is specifically described in the policy. To be safe, check with your agent.

This information has been brought to you as a public service by your local insurance professionals—the insurance agency that cares...MILTON CARPENTER INSURANCE INC., 141 S.E. Avenue C, Belle Glade, Phone 996-7211. Associates Thomas B. Rumliff and Paul Kerya.

GDS In Regional Playoff

The Glades Day School Gators will travel to Loyola High School in Miami.

The Glades Day School Gators will travel to Miami Friday to play Loyola for the Region IV Class A baseball championship, following their

shutout of St. Edwards last week.

The Gators whipped St. Edwards 6-0 to build the team record to 16 wins and eight losses.

Coach Tom King said the Gators would take the field against Loyola at 3:30 p.m.

Friday and urged supporters against Pahokee, who won 2-1 to go along for the game, and to Bishop Verot, 2-3.

He said he would again be using Freddie Rodriguez as the pitcher. Rodriguez, he said, has been the center of the team's success, having pitched a total of 59 innings in 24 games, with an average of 3.24 runs, a racking up his seven wins and 24 games, leading both his team and the Glades with a total of two drives in 21 more and stolen 23 points.

King said Rodriguez, who pitched the shutout against St. Andrews, has fanned out a total of 54 batters during the season, has walked five players with an average of .248. Carlos and given up 37 hits and nine runs. His two losses were Bill Dupere with a .292.

No-Hitter Pitched

Kenneth Throp of Christian Day School pitched a no-hitter in Fort Lauderdale last week to carry the Crusaders to a 5-0 win over Fort Lauderdale Christian in District 7 Class A tournament play.

Throp allowed only four runners to reach first, all on walks and struck out 13 Fort

Lauderdale batters in what Crusader Coach Ken Lassiter call the team's best effort for the year and Throp's third win.

The first seven Crusaders who stepped up to home plate scored a run each.

Shortstop David Conway had a perfect three runs for his three times at bat, including a triple to drive in one run. First baseman Rick Rushing made an extra effort in the fifth inning by pushing in a two-run homer.

Apaloosa Show Set

A newly formed Seminoe Apaloosa Club will hold an Apaloosa Horse Show beginning at 9:30 a.m. Saturday in the Indian Town Bldg. in Indian Town.

The show, organized by the newly formed group with a membership ranging from Fort Pierce to Pahokee, will feature competition in 25 events.

Club vice president, Ted Keys, who will act as ringmaster at the show, said the club is looking for new members and said any owner of a registered Apaloosa could enter his animal, adding there are no rules against age or sex of owners.

Neese Completes

Basic Training

Airman Jerry A. Neese, son of Mr. and Mrs. Delbert Neese of 201 Orange Ave. in Belle Glade, has completed Air Force basic training at Lackland AFB, Tex.

During his six weeks training, he studied the Air Force mission organization and customs and received special instruction in human relations. The airman is remaining at the Air Training Command base for specialized training in the security police field. Airman Neese attended Glades Central High School.

GLADES CHURCH NEWS

THE HERALD WELCOMES NEWS ITEMS FROM YOUR CHURCH EACH WEEK.
CALL 996-2056 NOT LATER THAN TUESDAY NOON FOR PUBLICATION THURSDAY.

Check Presented

Julian Field (left) and Walker Shields, board members of Palm Beach County Community Foundation, presents Wee Care Board of Directors Chairman Mrs. R.V. Allison a check for \$2,500 during a recent visit to the child care facility here. The foundation was formed to provide grants to county

charities and Wee Care received the tenth such grant made according to Mrs. Allison. The volunteer foundation's grant came during the middle of the center's present annual fund-raising drive. Wee Care is attempting to raise some \$28,000.

Money Fair Set

A "Money Go-Round Mission Fair" will be held at Hi-Haven Baptist Church on SR725 just north of Clewiston at 8 p.m. May 16 according to Big Lake Baptist Association Woman's Missionary Union Director Mrs. E. Kenneth Bryan.

Mrs. Bryan said the fair will coincide with the Big Lake Baptist Association's W.M.U.'s quarterly meeting at 7 p.m. that evening.

The fair will include a midway, movies, food, games, fun and prizes according to Mrs. Bryan.

THE TWO GREAT COMMANDMENTS PART 2 LOVE ONE

Loving God wholeheartedly opens thought to the limitless possibilities of divine power.

any bill shall not be returned by the President within ten days (Sundays excepted) ... the same shall be a law. (Article I, Section 7 of the Constitution)

They were conscientious and astute men—those architects of the Constitution. They wanted to be sure the President could never halt the processes of democratic government by delaying legislation.

And the phrase "Sundays excepted" shows that our Founding Fathers also respected Sunday as the day of the Lord.

To them, it seemed natural to safeguard their freedom and profess their faith all in one sentence.

The document they produced has weathered two hundred years—their faith almost two thousand. Both their Constitution and their creed—the Christian faith—are just as vibrant and important today.

Make Sundays an exception to your daily routine—Go to Church!

The Parson Pontificates

Next Sunday is Mother's Day! They deserve a May 12 recognition. The only requirement, though, for a woman being honored on Mother's Day is that she has given birth to a child. Which is not, of itself, necessarily a noble accomplishment. (It wasn't, at least, until abortion became acceptable in this society.) Let's nominate for special consideration those mothers who have really been mother, who have taught their children morality, faith, reverence, respect, cleanliness, truthfulness, and honesty, and who have made some sacrifices to bring their children up to be good citizens and a credit to the human race! Let's honor the mother who is willing to forgo some of the questionable habits of our society in order to set a good example for her children. And here is a special tribute to the mother who takes her family to Sunday School and Church. May God bless the real mothers!

(See Proverbs 31)

Dead If

Not Forgotten

EDITOR'S NOTE: In response to a story the Belle Glade Herald carried in the April 25 issue, Evangelist Don Grier submitted the following letter printed in the May 5 edition of Christian Standard, a magazine printed in Cincinnati, O. They Died Long Ago—Church papers being what they are—representatives of our churches they should exercise in accurate reporting. A good rule of thumb in reading these weekly epistles from the "house of the Lord" is "don't believe a word they say on political matters." Allow one preacher to write an article on social action in political matters and church papers from East to West will keep the "rumor mill" going for months.

A recent story in your article on House Bill HR 10220 and Senate Bill S 3627, which were introduced in May of 1972 for the purpose of extending "virtually all Code provisions giving any special exemption or reduction to special tax rates in any particular type of group or category of income." The specific concern of the article was the permission of donors contributions and parsonage allowances—truly a cause for concern.

A little checking revealed that these house bills died upon adjournment of the 92nd Congress—1972 (See Federal Tax Legislative Status, 1972: 1972, 11, 49-52, Government Printing Office).

Don't you dare sit on your back!

That's about as smart as taking a small drink of poison. Those belts are designed to save your neck. Settle down and take fifteen seconds to put the belt on before you start your car. You'll live a lot longer, and we need every customer we can get!

Experts say you don't have to be drunk to be a dangerous driver. A sleepy driver can be just as deadly for himself and others. If you take medication that makes you drowsy, don't drive. You forget your glasses, but can still make it home. Maybe so and maybe not. Just don't run into me as you find out! You have a stiff neck and it hurts to clear traffic behind you by turning? Your first turn should be to the curb and call a cab. Mad, furious, jealous, unhappy? Chances are you should not be driving then either.

Get Serving Tip #487. Slow down. Tip driving wastes gas. The new speed law holds us to 55, but you'll save even more gas by driving between 40 and 45 is most cars. Why? When you increase speed, and it becomes less efficient, therefore burning more gas for the same amount of travel.

For a lot of us, trucks are a necessity. We need them in our businesses, handling things, delivering items. If you need a used truck, be sure to make it a point to stop in and see us right now for that pickup, stake, van, or larger rig. We can help you. Come in this week and see us here at JIM HERRING CHEVROLET-OLDSMOBILE in Palmetto. Look for many more small cars and medium-size cars from Detroit as fast as they can get them out. They are working hard to see if they can make more different small rigs from the same basic tooling. That helps keep the cost of the small car small.

love
for

MOTHER.

A Mother's love is something
that no one can explain,
It is made of deep devotion
and of sacrifice and pain,
It is endless and unselfish
and enduring come what may
For nothing can destroy it
or take that love away...

It is patient and forgiving
when all others are forsaking,
And it never fails or falters
even though the heart is breaking...
It believes beyond believing
when the world around condemns,
And it glows with all the beauty
of the rarest, brightest gems...

It is far beyond defining,
it defies all explanation,
And it still remains a secret
like the mysteries of creation...
A many splendored miracle
men cannot understand
And another wonderful evidence
of God's tender guiding hand.

Helen Steiner Rice

THE BELLE GLADE HERALD

"VOICE OF THE GLADES"

2C, The Belle Glade Herald, May 9, 1974

Dear Sir:

I think my mother should be Mother of the year because she gets me lots of clothes and nice things to wear and she fixes good things to eat when I fall she helps me up. One time I was riding my bike and I hit a hole and my bike flipped over my mother took me to the doctor. My mother is a teacher she doesn't teach now but when she did teach all the children liked her very much she can play a piano and do a lots of other on joyable things.

Yours truly,
Jody Marshall May

Why my Mother should be mother of the year.

Because I love her very much and to me she is the mother of the year she is a nice mother to me and my sister and brother. She does what is right for us. She is just like us, plays too much. She lets us go on a trip if she like to know what happen on the trip. I love my mother for everything she does, even if it is good or bad. She gives a good meal everyday to make us grow.

Josita Cruz

Why my mother should be mother of the year because she is very attractive, and she is a nice and she is a good mother to me because when she gets her check she buys me brother, sisters and me something. When she has time she takes us to the store. But we don't have much money because my dad has a bad heart and he can't work hard, but my mother can work and she helps our family by getting food and getting us clothing to wear. My mother's job is not much but she works hard for just a little money. My mother's job is cleaning houses, but she takes what money she has and buy our food. My mother is not afraid of anyone she is very brave. One time this lady wanted my sister and I to get in her car, but my mom yelled for us and we came home. This is why I think my mom should be mother of the year.

Lacinda Culham

Dear Sir:

I think my mother should be mother of the year because she do house work she buy me clothes when I need it my mother so when. She buy me thing when I was sick my mother how to get up into the middle of the night My mother is very nice to me my mother like to look at Pres. Nixon on TV and when she someone and she work home too.

Dorethy Seymore

Dear Sir:

I think my mother should be mother of the year because she goes to work every day and she buys nice things for me and gives me money.

Yours truly,
Terra Manning

Dear Sir:

I think my mother would be mother of the year because she is very very nice she do good thing for me and my sisters and everybody and when she was working with the doctors she took care of the people and children.

Lisa Allen

Dear Sir:

I think my mother should be mother of the year because she buys me clothes and shoes and socks my mother said to my sister we have a very kind mother. She works hard every day for us, and she likes for us to look good and clean. She likes us to clean when we go on a trip we like to go on a trip it is fun. My grand mother pray for me too. I love you Mother.

Edna Mae Hunter

Dear Sir:

I think my mother should be the mother of the year because when I am sick she give me medicine I go to church with my mother I love her she love me. She buys me clothes and food she gives me money that's why I think my mother of the year my Daddy has been sick for 3 years and my mother is the only one we have working for us she give tired but she keeps on going that's why I think my mother should be mother of the year.

Kenneth Williams

Dear Sir:

I think my mother should be the mother of the year because she is nice to me she buy me things and she give me things. She brought me a pool table she brought my brother a pool table. She brought my other brother a big Mac. She let me to buy me a bike. She let me go to Walt Disney World. She let me and brother go to Walt Disney World. She let my other brothers go down to rag. She sent my sister 06 dollars. She sent her brother two dollars. She sent her mother 12 dollars. She broths my brother a pair of shoes. She sent Tim 1 dollars. That why I think she should be the mother of the year.

Karl Hodge

Dear Sir:

I think my mother should be mother of the year because she washes dishes for me. And buys clothes for me. And she tells me the right thing to do and she change out clothes for me. She sweeps the floor for me. And cleans the house up for me she cooks breakfast for us. She is a christian and she takes me to Sunday School every Sunday. She gives me money to buy things. She helps me when I'm sick and hurt. That is why I think my mother should be mother of the year.

Yours truly
Elizabeth Thornton
Gr 8-D Rosenwald

Dear Sir:

I think my mother should be the mother of the year because she is kind and nice, and she is a christian she prays and serves God. On new years night we all gather around the table. Mother cooks cake we eat cake and drink cocoa. We play church words once when I was sick my mother stayed up all night until morning with me. I am sick very often and have to go to the hospital for treatment, my mother prays for me and I am never afraid, and I am thankful for that. That's why I think my mother should be mother of the year.

Yours truly
Adrianna Clark

MOTHER

Mothers come in all sizes and colors. But all have one great thing in common—an unlimited supply of love. Mom's the smile of reassurance...the shoulder to cry on. She's the pet on the back...the best friend a person could have. She's so much to so many and she's yours. Wow her on her special day and all year through with little kindnesses and praise.

Mom's the word...

East Side, West Side

and all around the town.

Show Her You Care. May 12

Savings and Loan**

"Save Where You Borrow - Borrow Where You Save"

My Mother is a very nice person, she tries to do her best while the family she has around her. Anytime our school or class is going on a trip she always try to send me. Mothers are very important to their children but not as much as my Mother. My Mother never dislike no one. She works hard at the Hospital that she hardly have time to go to church. Kids would be very lucky to have a mother like mine. I guess not every child has a mother so they don't know the love some Mothers can give. I know most Mothers tries to feed and clothes her family you can count on my mother, even if my mother isn't chosen as mother of the year. I can say she tried.

Harold Peterson

Dear Sir:

I think my mother should be mothered the year because my mother will do anything to save me and my mother will give me things and she loves me and I love her and I like her because she give me a dime very day and thats why I think my mother should be mother of the year.

William Bland

Dear Sir:

I think my mother should be mother of the year because she buys me some pants and socks and a vest she gives some money to go to the circus and me some money to pay for lunch and she buy me and my brother some toys and a dart game. And she buy me a coal pop. And when she wants me to be something I will do it.

Yours truly,
Tracy J. Lamphus

I think my mother should be mother of the year. She washes my pants and shirt everyday. She also buys clothes for me. I'm my sisters and for my little baby brother. My mother gives me money to go to the store. Sometimes we go to my grandmother's house and I go the store to buy ice cream. My mother gives things to poor people. She sent many to the poor people about \$20. \$10, \$5. I Love her very much.

Ray Ramirez

Dear Sir:

I think my mother should be mother of the year because she is nice to me and buy me dolls and a set of dishes and buy me candy and sometimes I be sick and she carry me to the doctor wond I be sick and she buy me all kind of clothes and be nice to every body.

Yours Truly,
I Kenna Williams

Dear Sir:

I think my mother should be mother of the year because she is sweet and she helps other people and she like the be with other people I like my mother. She buys me clothes to wear. She sits with other people and talk. She carry me to the Doctor when I am ill. She buy me sock and shoe. Make me

Johnny L. Clark

Why my mother should be Mother of the year.

My mother should be mother of the year because she is so understanding and always ready to listen. My mother loves children, she hates to see children or animals hurt. She will always tell you right from wrong. She is known all over South Bay. She has one leg but is still known for her kindness. She treats all children like her very own. She's my grandmother but to me, she's my Mom.

Kim Harrell

Mother's Day Roses

\$17.50 doz cash & carry

Alice Mixson
Florist

N.W. Ave. E

Belle Glade, Fla.

My mother work in the celery field. She helps me get ready for school. She My Mother bring me to school. My Mother cooks for me and her. My Mother drives a red car. She by me clothes and thing. I like my mother very much. Mother takes me to church. Mother takes me to the show. Mother takes me to hand practice. Mother takes me to usher practice.

James Brown

I think My Mother of the Year because she helps other people. She helps people to cross the road. She helps me to go to school. She helps hand-capped children to go to school. She helps the people in the hospital. She pick people up from town if she know them.

Kerrica

Why My Mother Should be Mother of the Year. I think that my mother don't care about helping others people. My mother helps me get ready for school. She helps old people cross the street. Like yesterday when a lady's house caught on fire my mother got some water and put some of the fire out before the fire men came.

Bernard Williamson

I think My Mother of the Year because she help other people. She helps people to cross the road. She helps people to go to school. She helps hand-capped children to go to school. She helps the people in the hospital. She pick people up from town if she knows them.

Kerrica

My mother is mother of the year because she buys me clothes and shoes. She is sweet. She cooks and makes up my bed. She does the same thing for my whole family. She bought me a green Easter suit and some pretty shoes. She is a dispatcher for the South Bay Police Department. Do you now what that is? She calls the policemen when something is wrong. She is twenty-eight. She has two sister and three brothers. One of her sisters died and that's why she has two sister. She is one of the best mothers of the year. My mother is Mother of the year to me.

Michael Jackson

Why My Mother should be Mother of the year. I think so because my Mother is very nice but so are all other Mothers. But my mother isn't just a mother she's a friend who I can go to. Sometimes when she gives me the unexpected I say she can't stand me but she still loves me. Still loves me. Just like any kid would say for its mother she's the very best of all.

by Pat Johnson
my Mother's name is
Mrs. Emma J. Brookal

Why my mother should be Mother of the Year. Because she is a great mother she buys me things. She helps me with things. She punishes me when I need it. She has two jobs. She works all the time. I love my mother and this is why she should be Mother of the Year.

Phyllis Butler

Why my mother should be the mother of the year. Cause she cooks. She fixes my clothes for me. She buys me things. She does alot. I love her very much. I am glad I have her for my mother.

My mother is good to all of the four boys and girls in our family. I should think that she deserves a nice reward for working for us. She helps people cut their celery. She sells comes from her she lets me and my sister go to the ball park. She lets us go swimming and we go to visit grandmother and granddaddy.

Brenda Sneed

I think that my mother should be Mother of the Year because she works to help the family to live. She also works in the hospital to help other people to live; too. She works to help us get clothes to wear and food to eat that we may live. She helps us to go to church and worship God's Word in Heaven.

God Bless you, too.

Marlene Peterson

I think my mother should be Mother of the Year because she helps me to get dressed and learn to read and write. My mother helps other children too. She is a teacher at South Bay Child Development Center in South Bay.

Timothy Abrams

I think my mother should win because she's good to me. She helps me with my work.

My mother knows what's good for me. My mother is good to me. I love my Mother.

Willie C. Hawk

I think my mother should be the mother of the year because she cooks for me. She gives me money when I want it. She buys good toys and clothes for me. She takes me to school. She asks me to go with her where ever she goes. She cares about me. She takes care of me like my mother school paper and pencils. She is nice to people. She thinks that people should love each other.

Jerry Sexton

Why My Mother should be the Mother of the Year. My mother helps people and she give people food. She gives dogs food too. She goes to church and she gives other people money too. She helps me to get well. She is a nice mother and I think my mother should be Mother of the Year.

Why my mother should be Mother of the year is because she is a nice mother, and she is good to me. I love my mother and father, she washes my clothes and feeds me. I know they love me, they taught me how to walk, and if they were not there with me I would not be here now. Every body needs there mother and father. I have two sisters and one brother there names are Sandy, Shelley, and Steve they all love there mothers and fathers. I hope my mother will be the mother of the year. Thank you!

Stacy Goodbread
My mothers name is Rose Lee Goodbread

Because she is nice she buys us candy, and icecream, she takes us to the beach, to movies and shopping, swing and park and when we want to go to the time saver. And every time she buys candy some times we dont ask for parkys and sperine footballs and ball and doll and shoes and coats.

Timothy Randle McMullen

The Belle Glade Herald, May 9, 1974, 5C

My mother should be mother of the year because she has understanding, feelings for others, and is very fun to play with.

'She knows when a person has a problem and tries to help you out with it.

My mother wants to punish you if you do things wrong so you won't do it again.

That's why she should be mother of the year.

Chris Harrell

My mother should be mother of the year because she is a very good mother she cook dinner of us and she wash the clothe for us, she take's care of us, she tell's us what is wrong and what is right, she go shopping she buy our clothe and she love's us very much, and I know everybody love her or his mother, she buy everything we want. I know she is a good mother I wish my mother Elias Garcia a very Happy Mother's Day.

Domitilla Garcia

I think my mother should be "Mother of the year" because she is nice and kind and sweet. And she is a wonderful person. And she knows what to do in a accident. Will you please let my mother be mother of the year.

Butler Brown

When I Need My Mother she's there to show me the way. She has a glow of happiness About her that tells me every thing going to be fine. My Mothers, firm. She loves me. We pray together and she forgives me just like Jesus. And that Makes her special

Jimmy Usher Jr.

When I need my mom she's there. And Jesus says love and honor her and I do.

Shawn Dykes

I think my mother should be mother of the year because she's the best mother anyone could ever have. Even when we are bad, she punishes us because we deserve it. Then she tells us she loves us. She takes care of us when we are sick. Needs us when we are hungry, and helps us with our homework. Mommy has 8 of us kids and we all get treated the same. No one gets treated better than the others. Mommy can't give us all we want but she always does her best. Even though Daddy isn't living with us, Mommy steps in to take his place. Ask any of us if our Mommy isn't the best and all you will hear is Yes.

I like Mother she cooks for Me. I love her very much and want her to be Mother of the Year.

Yours truly
Deloris Freeman

Hi,
My mother is very good to me. She cooks and makes me happy.

Sincerely,
Betty Ann Moore

Hi,
I love my mother. She buys me clothes. I would like her to be Mother of the Year. I am 9 years old.

Sincerely
Cassandra Davis

Hurrah for Mother Army Surplus

My mother is best because she gives me my chance to play. She gives me my allowance. She lets me go to Christine's house. She takes care of me.

Dear Sir:
My name is Marilyn Lee. I am in the second grade.
My mother should be mother of the year because she cooks for me and sees me to school clean. She is nice to me at all times even when I am bad.
Yours truly,
Marilyn Lee

The Belle Glade Herald, May 9, 1974, 7C

My mother should be mother of the year because she is a very nice person. She is understanding and kind. She keeps the house clean, and pretty. She helps us a whole lot. She does good things for people. She helps people out when they are hurt and in need of a friend. She gets me up in the morning to get ready to go to school. She takes us fishing on weekends. She catches a lot of fish when we go to the lake.
Stephen Allen Stedham

Why my mother should be mother of the year. Because she's very thoughtful and understanding. She always helps me when I need help. Also, she's always getting involved with things that I participate in. If she is eligible. My mother is always doing things for me and taking me places so that I can bet the best out of life. But the one thing, I really love her for is bringing me into this world so that I can have the fun that I'm having.

Jacqueline Thornton

Dear Sir:
I think my mother should be the mother of the year because she does work she care for me and my sisters and my brother she loves us the love every one when we get sick she take us to the doctor when we go on a trip she gives us money to go on it. She is very nice to us She help other people

Perrilla Ann Curry

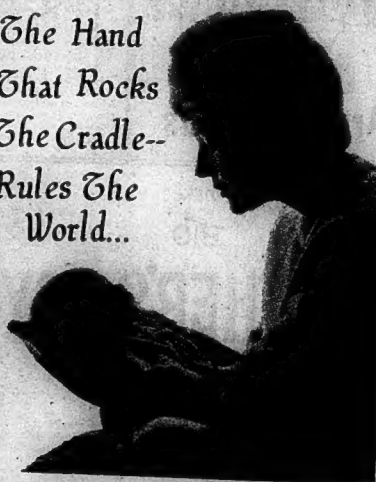

Dear Sir,
I think my mother should be mother of the year because she is very kind and she sends me to school dressed right and she goes to work every day. My mother takes me to town and gets me clothes for school and church. My mother is a very nice christiana. My mother cooks us food to eat and gives us money. One night I was sick and the next morning and my and my mother got me some syquil to take and I got better. My mother goes to Sunday School every Sunday with me she want let me out side unless she is home. And she whips me and makes me mind. My mother helps other people to. My mother helps me more than any one. My mother works at a supper market and when she works she has a smile on her face. At times she works more than the men do there she does so many nice things I could never name them all but I do believe she should be mother of the year.
